DESIGN PARTNERSHIPS

Specialized design. Seamless collaboration.

Architectural design support for U.S. firms
with hospitality, leisure and aquatic projects.

BRAZIL / INTERNATIONAL COLLABORATION

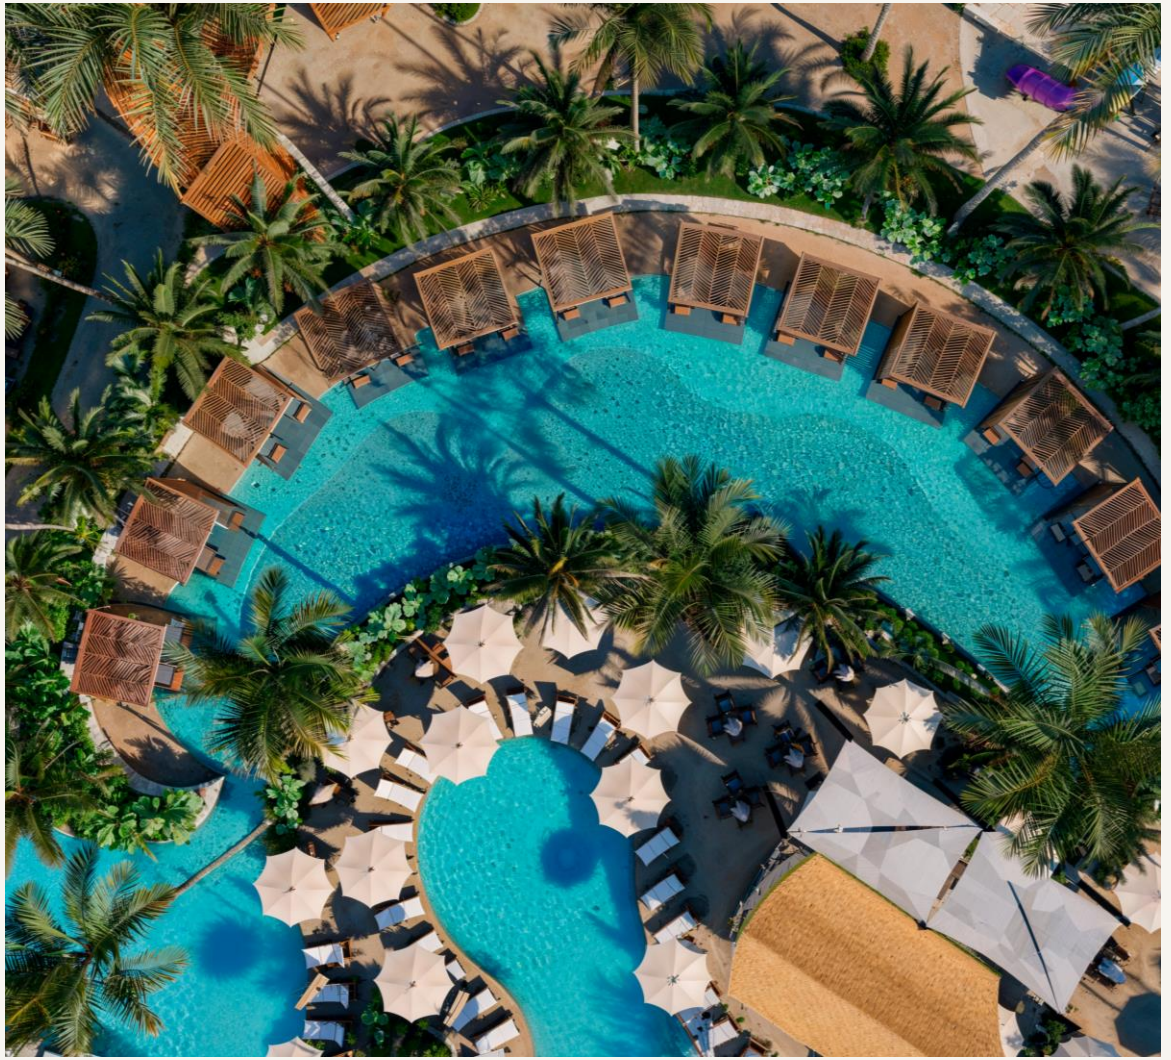

INDEPENDENT DESIGN STUDIO

Built around experiences.

EDENSS is a Brazil-based architecture and masterplanning studio focused on spaces where people gather, stay and play.

We support the creative and technical development of leisure environments, translating ambitious concepts into coordinated spatial solutions and clear visual communication.

OUR APPROACH • GUEST EXPERIENCE • SPATIAL LOGIC • DESIGN CLARITY

WHERE WE CREATE VALUE

Experience-driven destinations.

AQUATIC & ATTRACTIONS

Waterparks, family pools, aquatic play and guest amenities.

HOSPITALITY & RESORTS

Hotel amenities, wellness environments and shared guest areas.

LEISURE & LANDSCAPES

Destination planning, guest journeys and landscape integration.

REMOTE DESIGN PRODUCTION

A flexible extension of your studio.

01 CONCEPT & MASTERPLANNING

Spatial concepts, site studies, massing, zoning, visitor circulation and early-stage design support.

02 DESIGN DEVELOPMENT SUPPORT

Layouts, CAD drafting, design refinement, documentation assistance and multidisciplinary coordination.

03 3D & VISUAL COMMUNICATION

SketchUp modeling, visualizations, architectural renderings, diagrams and presentation packages.

04 HOSPITALITY & LEISURE

Aquatic attractions, hospitality amenities, food & beverage spaces and guest-oriented landscapes.

01 / SELECTED PROJECT WORK

Aquatic masterplanning.

DESIGNED AS A SYSTEM

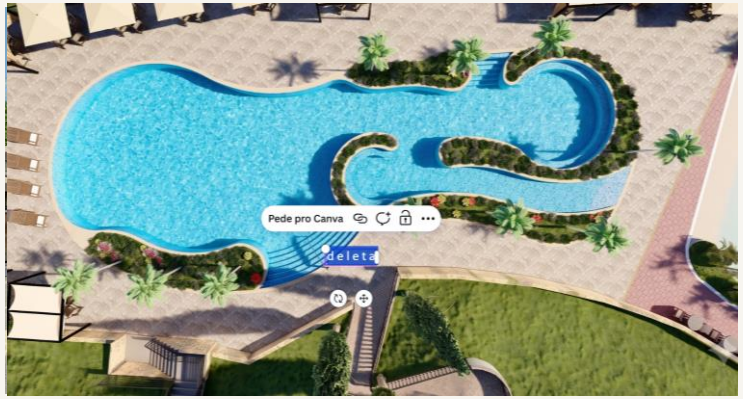

Attraction adjacency, guest routes, operational zones, landscape and future growth considered together.

02 / SELECTED PROJECT WORK

Waterparks & family leisure.

Guest-facing attractions • Poolside environments • Leisure amenities

03 / SELECTED PROJECT WORK

Hospitality, pools & wellness.

Indoor aquatic settings, hospitality amenities and refurbishment concepts that strengthen the guest experience.

04 / SELECTED PROJECT WORK

Resorts & destination planning.

From site-wide relationships to the details that shape a guest's stay: outdoor spaces, amenity placement and destination identity.

05 / SELECTED PROJECT WORK

Stays integrated with nature.

Cabin concepts, site positioning, landscape integration and outdoor hospitality experiences.

06 / SELECTED PROJECT WORK

Spaces that support the journey.

FOOD & BEVERAGE

SHARED AMENITIES

OUTDOOR EXPERIENCE

FROM BRIEFING TO DELIVERY

Clear handoffs. Consistent output.

01

ALIGN

Scope, deliverables, references and local design requirements.

02

DEVELOP

Concepts, models and coordinated design packages.

03

REVIEW

Defined checkpoints with your project lead.

04

DELIVER

Organized files ready for the next design stage.

FLEXIBLE ENGAGEMENT MODELS

Project-based support • Dedicated monthly capacity • White-label collaboration

U.S. architectural services requiring licensure remain under the responsible locally licensed professional.
